WELCOME
LETTER

Welcome to the 10th AfrEA's 2022 Conference, the pioneer virtual event in the history of the organization!

The Conference acts as the foundation for promoting and advocating AfrEA's "Made in Africa" approach, and allows knowledge sharing, collaboration and networking with a wide range of international organizations and individuals.

With a theme titled **"Evaluation that leaves no-one behind: empowering progress towards the Africa we want amidst the COVID-19 pandemic and the other crises and opportunities facing us"**, the 10th AfrEA conference aims to:
- Promote learning and action to support evaluation practice that contributes to real, responsive, agile and sustained development in Africa
- Promote Africa-rooted and Africa-led evaluation through sharing African evaluation perspectives
- Build the theory and practice of evaluation in Africa by providing the platform for the development and sharing of a high quality body of contextually-relevant knowledge on evaluation
- Support the establishment and growth of national evaluation associations or VOPEs and other related communities of practice
- Facilitate capacity building, networking and sharing of new developments in evaluation theory and practice, towards fostering capacity development among evaluators, policymakers, researchers, development specialists and related stakeholders in the evaluation eco-system.
- Facilitate networking and partnerships between key local and global stakeholders and development partners towards an integrated, coherent approach to strengthening evaluation systems, knowledge and practice on the African continent.
- Empower members to influence national M&E system and policy in their respective states and represent Africa on the global stage of M&E

Participation in the conference is drawn from a wide range of stakeholders on the African continent and globally, including the National Evaluation Associations, the AfrEA YEE Network, World leaders in the M&E field and students'.

We look forward to meeting you soon.

Yours sincerely,

AFRICAN EVALUATION
ASSOCIATION
BOX 16267, KIA
ACCRA - GHANA

AfrEA President,
Rosetti Nabbumba Nayenga

CONFERENCE
WORKSHOP

MIRIAM AMINE

Miriam is evaluator and teamleader at the German Institute for Development Cooperation (DEval). She possesses over 10 years of experience in conducting evaluations, baseline studies, evaluation management and training. During the last years, Miriam worked on developing standardized evaluation tools and formats for country portfolio reviews and complex programme evaluations. Thereby she focused on questions like how to improve the evidence base for complex, strategic evaluations, finding the right balance between required resources and quality of outputs and ensuring relevance and use of evaluation results for decision makers. Prior to DEval, Miriam worked in a consulting firm where conducting country level evaluations for the European Commission, different UN agencies and other bilateral donors. She was also trainer at the Training Programme for Development Evaluation for the European Commission (Traineval).

TAKUNDA CHIRAU

Takunda works with the National Evaluation Systems practice at the Centre for Learning on Evaluation and Results at Wits University. Takunda is involved in strengthening national evaluation systems and monitoring and evaluation capacity building through training and technical assistance. He has conducted theory of change training and results based monitoring and evaluation in South African and the region.

CONFERENCE
WORKSHOP

MICHELE TARSILLA

Michele Tarsilla serves as Regional Evaluation Advisor at the UNICEF Regional Office for West and Central Africa (WCARO). He is responsible for ensuring the quality, independence and use of evaluation in all the 24 countries in the region. Michele has 20 years of field experience, mostly leading evaluations and running evaluation capacity development programs in more than 60 countries. He has worked in 6 languages (including French, Spanish and Portuguese) for a variety of international organizations (including the World Bank, FAO, IFAD, UNESCO, UNWomen) and provided technical assistance to numerous national governments.

After receiving his Master's Degree on a Fulbright Scholarship from the Georgetown University School of Foreign Service, he completed his Ph.D. in Interdisciplinary Evaluation at Western Michigan University (USA).

Michele is quite a prolific blogger (follow him on Twitter: @MiEval_TuEval). Michele also serves as Associate Editor of the African Evaluation Journal. Building upon his past work and research experience, Michele makes a special effort to give more visibility to the following evaluation topics within the international evaluation community: child-focused evaluation, evaluation of unexpected outcomes, effective integration of gender and equity into evaluation, innovation in humanitarian evaluation and interdisciplinarity in evaluation.

DALILA AHAMED

Dalila Ahamed has more than 10 years' experience in Monitoring and Evaluation with a gradual specialization in Evaluation for the past 7 years. She is currently Evaluation Specialist at the UNICEF Regional Office for West and Central and Africa. She has previously worked for UNDP as well as a range of national and international not for profit organizations based in the UK and in the Comoros. Her work experience includes designing and managing organizational monitoring and evaluation systems, leading and conducting data collection projects for research studies and evaluations (internal and external) and managing as well as quality-assuring evaluation projects. Her areas of interest includes working with children, young people and rural communities (SHRH, Child Protection, Parenting, Agriculture, Local Development) as well as psycho-social issues related to health.

PLENARY &
KEYNOTE SPEAKERS

INDRAN A. NAIDOO, PH.D.

Indran A. Naidoo is the Director of the Independent Office of Evaluation of IFAD. He promotes accountability and learning, improving operational performance and effectiveness. Under Indran's leadership, IOE has contributed to forging IFAD's corporate culture as a transparent, learning oriented and accountable organization, improved evaluation coverage and promoted transformative evaluations that reflect the scale and scope of IFAD operations, engaged with Member States and external partners to support evaluation capacity and use within and outside IFAD, and retained and deepen IOE's position as an internationally recognized leader in the evaluation of rural development programmes, policies and strategies.

Indran is a globally recognized thought leader. Manager, author, instructor, Indran spearheads international reform initiatives, transforming oversight functions. During his 30-year career, he has been instrumental in enhancing the institutional credibility of global organizations. By advancing disciplinary boundaries in accountability, partnership and learning, Indran has improved operational performance and effectiveness of international development programmes, projects and operations. His focus on quality, engagement and results, has led him to set global practice evaluation benchmarks and quality standards. Under his directorship, the Independent Evaluation Office of UNDP implemented new policies, charters and guidelines that bolstered its institutional credibility, leading it to become the largest and most influential independent evaluation office in the UN system. As Acting and Deputy Director-General of the Office of the Public Service Commission of South Africa, he advanced the development agenda, setting service delivery standards at all tiers of government, leading to improved performance and governance across the board. International journals document his work and accolades.

Indran holds a D. Phil from the University of Witwatersrand.

KEYNOTE SPEAKERS

MARCO SEGONE

Marco Segone is Director, Evaluation Office, at UNFPA, the United Nations Population Fund. Previously, he was director of the Evaluation Office at UN Women; Chair, United Nations Evaluation Group (UNEG), the network of Evaluation Offices of 46 UN agencies; co-founder and co-chair of EvalPartners – the global partnership for national evaluation capacities – and EvalGender+. Before that, Marco was responsible for the decentralized evaluation function as well as the national evaluation capacity development portfolios at the UNICEF Evaluation Office; Regional Chief, Monitoring and Evaluation in the UNICEF Regional Office for Europe and Central Asia; Regional Office for Latin America and the Caribbean; Brazil Country Office, and Niger Country Office. Marco also worked in international NGOs in Albania, Pakistan, Bangladesh, Thailand and Uganda. He has authored dozens publications including: Evaluating the SDGs with a 'no one left behind lens'; *Evaluation for Equitable Development Results; and, How to Design* and *Manage Equity-Focused Evaluations.*

EDOÉ DJIMITRI AGBODJAN, PHD

Edoé is passionate about "Africa's development policies". He has more than 15 years of experience in the fields of evaluation, planning and project management. He is the Director of the CLEAR Centre for Francophone Africa and the Center's lead expert on strengthening national evaluation systems.

He is also a lecturer at CESAG, where he manages the Center's Bachelors, Masters and MBA programmes in Project Management. Prior to joining CESAG, he was a part-time Professor at the University of Ottawa, and an international consultant in capacity building. As a consultant, he has supported ministries, international organizations and development agencies in the implementation of results-based management, evaluation and planning tools. He has trained hundreds of public servants, parliamentarians and development professionals in project evaluation and management.

He has conducted evaluations in the areas of financial inclusion, entrepreneurship, ethnobotanical conservation, and agriculture. His research focuses on the effectiveness of development finance mechanisms and policies including in post-conflict zones. He holds a PhD in Development Studies from the Graduate Institute of International and Development Studies in Geneva (The Graduate Institute) and a Master's degree in Economics from the University of Lomé.

DR. CANDICE MORKEL (DIRECTOR, CENTRE FOR LEARNING ON EVALUATION AND RESULTS – ANGLOPHONE AFRICA

Candice Morkel (PhD) is the Director of CLEAR Anglophone Africa and senior lecturer in Monitoring and Evaluation at Wits University. She has over 20 years' experience in government, academia and the non-profit sector, specializing in public sector governance, and Monitoring and Evaluation (M&E). She currently oversees projects to support countries in their efforts to build national M&E systems, working in partnership with governments, civil society and development partners. She has extensive experience in evaluation capacity development (ECD), and has developed curriculum and facilitated ECD courses in Ghana, Zambia, Ethiopia and South Africa, as well as the International Programme on Development Evaluation Training (IPDET). She has published on various aspects of evaluation capacity development, has served on the African Evaluation Association and the South African M&E Association Boards, and in 2021 she was appointed to the International Evaluation Academy Council (IEAc), where she serves on the Evaluation Education Working Group.

DR. SHYLOCK MUYENGWA

Dr Muyengwa has more than 10 years of relevant experience with rigorous quantitative research design and analysis/evaluation, survey design, as well as a breadth of experience in Zimbabwe's agriculture, food security, youth employment and empowerment and livelihoods sectors. Some of these skill sets include survey design and implementation, participatory methodologies, structured interviews, and focus group facilitation. Dr. Muyengwa has a great deal of applied evaluation experience and has served as the fieldwork coordinator for Social Impact's randomized control trial for USAID's Conflict Management and Mitigation EDGE-IRC evaluation and applied propensity score matching to assess the impact of beekeeping on sustainable forestry management. Dr Muyengwa currently serves as the President of the Zimbabwe Evaluation Association and as the Southern Africa Representative in the AfrEA Board for the period 2022-2024.
